# DEALER ALERT

## QUEBEC CREDIT CARD SCAMS STRONG RESPONSE

We sent a Dealer Alert yesterday about this developing situation and have had quite a reaction from our members. Some dealers have found they can't get paid after shipping vehicles to this man on the faith of credit cards that turn out to be no good or stolen.

One name keeps coming up: SYLVAIN DEBOSSY. He seems to have quite a few credit cards at his disposal and no difficulty emailing them along with a driver's licence that is almost certainly as fake as the name he's using:

He uses email [SDEBOSSY@dr.com](mailto:SDEBOSSY@dr.com) and a cell phone 438-401-9334 to communicate.

**Police have been alerted in the GTA and Cornwall so far. Report any information to your local police. The search for the missing vehicles continues.**
