## **REMINDER**

### **UCDA's Service Ontario Survey**

UCDA members visit Service Ontario licence offices every day. Members rely on the vehicle registration and licensing services that Service Ontario offices provide. These services are a crucial part of the efficient operation of any dealership. We would like hear about your experiences at Service Ontario offices and get a sense of how “user friendly” and effective members find Service Ontario to be.

If you haven't already done so, please click [here](#) and take a few minutes to give us your thoughts by completing a short survey. It should take only a few minutes.

The information received will help the UCDA communicate the opinions and suggestions of our members to Service Ontario.
