Dealer Alert

DEALERSHIPS RE-OPENING!

Moving beyond “by appointment only”, the Ontario government has announced, given good progress made fighting COVID-19, that dealers who have separate street front entrances can reopen as of Tuesday, May 19, 2020.

Dealers who wish, may also continue selling online, remotely and offer curbside delivery of parts and the like. The key take-away here is that we are still **NOT** in a business as usual environment. Good practices include sanitizing, physical distancing, such as limiting the number of customers in the store at any one time, and booking appointments.

Members must continue to practice safety protocols described in previous UCDA Dealer Alerts, OMVIC bulletins and by the Government. Otherwise, COVID-19 numbers may spike again and we could find ourselves right back where we started with closures.
