ONTARIO ORDERS CLOSURE OF ALL NON-ESSENTIAL BUSINESSES

Just before 2 p.m. today Premier Doug Ford ordered the closure of all non-essential businesses in Ontario.

The order will take effect at midnight Tuesday and last for 14 days.

A list of Essential Businesses is expected from the Province tomorrow. Dealers may not be included as essential and should therefore be making preparations to be closed after tomorrow.

When the list is announced by the government, a further Dealer Alert will be issued with the details.
