COVID-19 SCREENING

As you know, Ontario appears to be well into the second wave of COVID-19. Health officials predicted this was likely. The authorities want to remind Ontario businesses of the need to screen employees and other “essential visitors” such as contractors, suppliers, janitorial or other such third parties providing needed operational support to the business before allowing them to enter the workplace. *This is not intended to be the screening in place for consumers.*

Required Screening Questions

1. Do you have any of the following new or worsening symptoms or signs? Symptoms should not be chronic or related to other known causes or conditions.

Fever or chills Yes No

Difficulty breathing or shortness of breath Yes No

Cough Yes No

Sore throat, trouble swallowing Yes No

Runny nose/stuffy nose or nasal congestion Yes No

Decrease or loss of smell or taste Yes No

Nausea, vomiting, diarrhea, abdominal pain Yes No

Not feeling well, extreme tiredness, sore muscles Yes No

2. Have you travelled outside of Canada in the past 14 days?

Yes No

3. Have you had close contact with a confirmed or probable case of COVID-19?

Yes No

Results of Screening Questions:

- If the individual answers NO to all questions from 1 through 3, they have passed and can enter the workplace.
- If the individual answers YES to any questions from 1 through 3, they have not passed and should be advised that they should not enter the workplace (including any outdoor, or partially outdoor, workplaces). They should go home to self-isolate immediately and contact their health care provider or Telehealth Ontario (1 866-797-0000) to find out if they

need a COVID-19 test.

As this second wave of COVID-19 plays out, and more news will surely follow, the UCDA will keep members informed as the situation unfolds.
