Dealer Alert - UPDATE

TORONTO and PEEL

LOCKDOWN

APPOINTMENT ONLY SELLING

On Friday, the Ontario government announced that Toronto and Peel are in the Grey Lockdown Zone as of today.

Dealers are still considered an essential service and may remain open for sales and service operations. However, it is NOT business as usual for at least the next 28 days.

Under the new colour-coded system put in place by the Province, “lockdown” or “Grey” zone means:

LOCKDOWN

(Maximum Measures)

Motor vehicle sales permitted to be open for in person shopping *by appointment only* and other safety restrictions

Walk in customers are not allowed and Toronto and Peel Region dealers should keep outside entrances locked

Needless to say social distancing, proper use of PPE, and disinfecting protocols all remain highly necessary and remain in effect for all dealers in Ontario.
